<b>Program</b>	<b>Career Cluster</b>	<b>Description</b>
<b>Adventure Sports Broadcasting/Lacrosse</b>	<b>Arts, Audio/Visual Technology and Communications</b>	Prime Evolution Group believes in restoring the entrepreneur business mind set among today's youth in the Richmond area. Our company prides itself on empowering youth to learn and participate in a trade or skill that will enable them to pursue future employment.
<b>Airbrush</b>	<b>Arts, Audio/Visual Technology and Communications</b>	Teaching the skill and artistic development of airbrushing. Teaching the entrepreneurial mindset.
<b>Anime Club</b>	<b>Arts, Audio/Visual Technology and Communications</b>	Anime Club was developed to foster student's love of anime and Japanese culture. We explore Japanese fashion, food, mythology, entertainment and more. We also explore different anime to help students determine what genre is best for them because anime has a very rich and diverse history.
<b>Brown on the Run</b>	<b>Arts, Audio/Visual Technology and Communications</b>	See how far your body can take you by joining the run club! As you build your endurance and push yourself past your limits, you will be training to participate in a local race. All abilities and experience levels are welcome!
<b>Contemporary Hip Hop</b>	<b>Arts, Audio/Visual Technology and Communications</b>	Dancing with the World introduces the culture, traditions and history from Latino America and Spain through Dance. Experience the roots of Latino culture, Native, African and Spanish while learning African Caribbean dances like salsa, rumba and merengue; Flamenco from Spain and Latin Hip Hop (Reggaeton).
<b>Cricut Corner/Custom Design</b>	<b>Marketing, Sales and Service</b>	To enhance and develop creativity with designing custom items for entrepreneurial lessons

<b>Edible Schoolyard</b>	<b>Agriculture</b>	Join us as we transform the school's outdoor space into a tasty garden where you will learn to dig it, grow it, and eat it! Learn all the steps to creating and maintaining a bountiful garden, then learn how to turn plants into tasty dishes. Lots of tasting and eating in this program!
<b>Empowered to Jump</b>	<b>Arts, Audio/Visual Technology and Communications</b>	Have fun, learn cool tricks and show us your moves in our double-dutch ropes. No experience needed, we'll teach you how to jump.
<b>Flag Football: Leadership Development</b>	<b>Arts, Audio/Visual Technology and Communications</b>	Moving up the developmental ladder, we have our 7 v 7 format with rule modifications and increased play complexity making it a program for all ages. Played within a 30 x 70 yd field with enhanced safety features like no-run zones, players will experience incremental skill development both focused on the individual and team dynamics, a deeper understanding of positions and roles, and teamwork
<b>Game On, Girl!</b>	<b>Arts, Audio/Visual Technology and Communications</b>	How does it feel to have the CONFIDENCE to lead an ACTIVE and HEALTHY lifestyle? Come find out at Game On, Girl where you will work with empowered women to play a variety of fun games and sports in a girl-centered space where students of all abilities are welcome!
<b>Heart &amp; Soul</b>	<b>Arts, Audio/Visual Technology and Communications</b>	Heart & Sole will empower you to tap into your strengths, explore new ideas, make friends and learn new life skills. Every week, well, run, laugh and learn about what makes each other tick. The program ends with a celebration of how far you have come ... and a 5K that will remind you that you can reach any goal you set your mind to.
<b>KICDRUM</b>	<b>Arts, Audio/Visual Technology and Communications</b>	KICDRUM is a fun and interactive musical experience. You will learn to create rhythms and music using individual drums, computers, and games.
<b>Kidz N Biz</b>	<b>Business, Management and Administration</b>	Be the next generation of innovators and changemakers, let us help you create your product and develop a business.
<b>MasterChef</b>	<b>Agriculture</b>	Like to cook, bake or want to learn how to make some awesome dishes? Learn how to make meals, desserts & all about kitchen safety!
<b>Money Market</b>	<b>Finance</b>	We teach financial literacy by giving the students experience in money management and decision making. We cover budgeting, saving, stocks, bonds and real estate.
<b>Outdoor Adventure Club</b>	<b>Science, Technology, Engineering and Mathematics</b>	Join the Blue-Sky Fund Outdoor Adventure Club for exciting activities including canoeing, rock climbing, hiking, and more! Every meeting, we'll venture out into parks and explore the natural environment in and around Richmond, while practicing our outdoor skills, ending the session with an overnight weekend camping trip!
<b>Precision Step Team</b>	<b>Arts, Audio/Visual Technology and Communications</b>	Precision Step Teams introduces students to body percussion, synchronization, focus, leadership skills, acting and performance through the art form of step

<b>Pro Skills Basketball</b>	<b>Arts, Audio/Visual Technology and Communications</b>	The mission of PSB is to change the culture of youth basketball. More specifically, we strive to change the win-at-all-costs, negative youth basketball environment to a healthier, more positive environment through a focus on teaching, coaching, and learning.
<b>STEAMulate: Sport and Game Design</b>	<b>Science, Technology, Engineering and Mathematics</b>	This innovative STEAM-based program joins together STEAM, and design thinking to provide student-driven opportunities to engage in STEAM-related content in authentic and interactive ways. The curriculum is designed to walk youth through five weeks of discussing core STEAM-related competencies and five weeks of game design based on design thinking principles.
<b>Team Ignite</b>	<b>Business, Management and Administration</b>	Team Ignite is a unique program that invites youth to learn business basics and to spark their entrepreneurial mindset as a team. Learners will go from business idea to customer #1 by the end of the program.
<b>TORCH Club</b>	<b>Marketing, Sales and Service</b>	Torch Club is a youth advocacy program that focuses on the development of character, leadership, communication, teamwork, and confidence building. Torch Club uses peer-to-peer interactions to build positive character traits and interpersonal skills. Through this curriculum-based program, members are encouraged to be role models and ambassadors for promoting good character, diversity, and inclusion among peers. Throughout the year, Torch Club members work together to facilitate meaningful service projects in their Clubs and communities. Youth selected service activities give program participants an opportunity to identify needs in their Club and community, while independently developing projects and activities that have a positive impact.
<b>Walk with Confidence</b>	<b>Arts, Audio/Visual Technology and Communications</b>	This class is a self-esteem, self-awareness, and moral booster; you will learn to walk and pose like a runway model.
<b>Where Law Meets Order</b>	<b>Law, Public Safety, Corrections and Security</b>	Have you ever wanted to learn and experience the activities and events that you see on television shows like CSI, and Law and Order? Well come on in and be ready to become the next Crime Scene Investigator!
<b>Youth Braid and Business Academy</b>	<b>Human Services</b>	Youth Braid and Business Academy is an enrichment program that provides hair braiding and entrepreneurship training to youth ages 11-17.
