<b>Program</b>	<b>Career Cluster</b>	<b>Description</b>
<b>Anime Club</b>	<b>Arts, Audio/Visual Technology and Communications</b>	Anime Club was developed to foster student's love of anime and Japanese culture. We explore Japanese fashion, food, mythology, entertainment and more. We also explore different anime to help students determine what genre is best for them because anime has a very rich and diverse history.
<b>Airbrush</b>	<b>Arts, Audio/Visual Technology and Communications</b>	Teaching the skill and artistic development of airbrushing. Teaching the entrepreneurial mindset.
<b>Balance Your Crown</b>	<b>Human Services</b>	Balance Your Crown teaches teen girls that we can't be our best selves without self-awareness and self-care. Our program equips teens with the tools they need to identify who they are, set concrete goals, build self-confidence, and make better decisions.
<b>Boys &amp; Girls Club Baseball</b>	<b>Arts, Audio/Visual Technology and Communications</b>	Learn leadership skills while playing baseball
<b>Brown on the Run</b>	<b>Arts, Audio/Visual Technology and Communications</b>	See how far your body can take you by joining the run club! As you build your endurance and push yourself past your limits, you will be training to participate in a local race. All abilities and experience levels are welcome!
<b>Balance Your Crown</b>	<b>Human Services</b>	Balance Your Crown teaches teen girls that we can't be our best selves without self-awareness and self-care. Our program equips teens with the tools they need to identify who they are, set concrete goals, build self-confidence, and make better decisions.
<b>Cory Alexander Basketball School</b>	<b>Arts, Audio/Visual Technology and Communications</b>	Cory Alexander Basketball School's program is designed to provide a safe, effective, challenging, and fun environment to help students improve skill level, build confidence and self-esteem, develop focus and a love for sports. Our program will target middle school students, who often struggle to find meaningful and structured activities outside of the classroom.
<b>Culinary Arts Program</b>	<b>Agriculture</b>	We help students embark on culinary journey through from scratch cooking.

<b>Cut Above</b>	<b>Human Services</b>	Cut Above is a unique program that combines barbering instruction with valuable mentoring for young boys
<b>Eureka Workshop</b>	<b>Science, Technology, Engineering and Mathematics</b>	CodeVA's Eureka Workshop program builds student engagement in computer science and STEM with hands-on activities that go beyond coding. By integrating CS with the arts, we remove barriers to STEM and CS involvement and encourage children to use and understand technology as both a useful and creative practice.
<b>Extreme Engineering</b>	<b>Science, Technology, Engineering and Mathematics</b>	The Virginia University Preparatory offers comprehensive online career pathways that integrate business, engineering, and sports into practical projects. Students oversee athletic competitions, promote athletic events, create podcasts and broadcasts for those events, assess athletic programs, and help athletes create academic progression plans.
<b>Game On, Girl!</b>	<b>Arts, Audio/Visual Technology and Communications</b>	How does it feel to have the CONFIDENCE to lead an ACTIVE and HEALTHY lifestyle? Come find out at Game On, Girl where you will work with empowered women to play a variety of fun games and sports in a girl-centered space where students of all abilities are welcome!
<b>Kidz N Biz</b>	<b>Business, Management and Administration</b>	Be the next generation of innovators and changemakers, let us help you create your product and develop a business.
<b>MasterChef</b>	<b>Agriculture</b>	Like to cook, bake or want to learn how to make some awesome dishes? Learn how to make meals, desserts & all about kitchen safety!
<b>Money Market</b>	<b>Finance</b>	We teach financial literacy by giving the students experience in money management and decision making. We cover budgeting, saving, stocks, bonds and real estate.
<b>Outdoor Adventure Club</b>	<b>Science, Technology, Engineering and Mathematics</b>	Join the Blue-Sky Fund Outdoor Adventure Club for exciting activities including canoeing, rock climbing, hiking, and more! Every meeting, we'll venture out into parks and explore the natural environment in and around Richmond, while practicing our outdoor skills, ending the session with an overnight weekend camping trip!
<b>R.E.A.L Girlz</b>	<b>Arts, Audio/Visual Technology and Communications</b>	Learn something new, have fun & step into your greatness as a R.E.A.L Girlz. We take Girl Power to the next level.
<b>Team Ignite</b>	<b>Business, Management and Administration</b>	Team Ignite is a unique program that invites youth to learn business basics and to spark their entrepreneurial mindset as a team. Learners will go from business idea to customer #1 by the end of the program.

<b>The Nail Room</b>	<b>Human Services</b>	A nail tech will help you develop the skills to design and make nails.
<b>The R.O.P.E.S.</b>	<b>Human Services</b>	The R.O.P.E.S. (Rites of Passage: The Experience Series) is a program for youth on their journey through life that explores decision making, goal setting, healthy relationships, navigating the community and
<b>The Thread Mobile</b>	<b>Human Services</b>	Thread Mobile is our portable t-shirt lab designed to elevate past our other programs that have single modules on shirt design and creation, and introduce the students to the world of graphic design and fashion. The class will cover the basics of design, including color theory, typography, and composition. Students can learn how to use different design software such as Adobe Illustrator or Photoshop to create their designs, as well as freehand original creations they dream up.
<b>Transportation You</b>	<b>Transportation, Distribution and Logistics</b>	Transportation YOU is a hands-on, interactive, mentoring program that provides students ages 13-18 an introduction to a wide variety of transportation careers.
<b>SpaPreneurs</b>	<b>Human Services</b>	Participants will create luxurious spa products including body butters, candles, soaps and more! Using only natural and wholesome ingredients. Students will also learn how to label, market and develop their signature products.
<b>Spin Academy/Lyrical Miracle</b>	<b>Arts, Audio/Visual Technology and Communications</b>	Teaching the stem techniques with DJing along with entrepreneurial and confidence building
<b>Sports Max</b>	<b>Science, Technology, Engineering and Mathematics</b>	The Virginia University Preparatory offers comprehensive online career pathways that integrate business, engineering, and sports into practical projects. Students oversee athletic competitions, promote athletic events, create podcasts and broadcasts for those events, assess athletic programs, and help athletes create academic progression plans.
<b>Walk with Confidence</b>	<b>Arts, Audio/Visual Technology and Communications</b>	This class is a self-esteem, self-awareness, and moral booster; you will learn to walk and pose like a runway model.
<b>Youth Braid and Business Academy</b>	<b>Human Services</b>	Youth Braid and Business Academy is an enrichment program that provides hair braiding and entrepreneurship training to youth ages 11-17.
